

Kramer PSE-1 Single 10G HDBaseT & Ethernet Power Injector**1 430,18 zł**

1 162,75 zł netto

OPIS

The PSE-1 provides power remotely over Ethernet to any device capable of acting as a PoE acceptor (for example, a wallplate, where it may be difficult to connect an external power supply). This allows a single HDBT LAN cable to provide both data and electrical power to compatible devices.

- Total Range — Up to 100m (328ft) @4K on shielded Kramer HDBaseT cable (or equivalent).
- 48V DC Power.
